

Otters Are Readers!

The goal of our Otters are Readers (O.A.R.) program is to promote the love of reading. It will run from October – May. Please pull out one page at the start of each new month and have your child color in one square for every day they read. It is recommended that children K - 2nd grade read 10 minutes every day, and 3rd – 5th grade read 20 minutes every day. At the end of the month have your student turn their game board into their teacher for a small reward. We are hoping to have a book exchange at the end of the year if COVID regulations allow. Please email OAR@crespto.net with any questions or concerns, or if you would like to donate books in good condition to our book exchange. Happy Reading!
